Molecular BioProducts[®] Introduces the SoftFit L

San Diego, CA –Molecular BioProducts now offers the SoftFit L™, the only alternative to Rainin LTS™ LiteTouch™ pipet tips. The SoftFit L are available with or without the ART® self-sealing barrier and are manufactured in 20ul, 200ul, and 1000ul liquid volumes. SoftFit L tips from MBP deliver highly accurate samples, seal well on the pipettor, and are easy to seat and eject. Frosted shoulders with the MBP logo make them easily identifiable for use on LTS style pipettors. The affordably priced SoftFit L are available through your preferred distributor making order consolidation easy.

SoftFit L ART and PURE™ tips are pre-sterilized and certified RNase-, DNase-, DNA, and pyrogen free. MBP SoftFit L non-filtered tips are racked and autoclavable. Contact Molecular BioProducts at (800) 955-2787 or (858) 453-7551 or send e-mail to info@mbpinc.com to receive a free sample pack of the SoftFit L
