## **Molecular BioProducts® Introduces the SoftFit~L Pipet Tips**

San Diego, CA, May 2002 –Molecular BioProducts now offers the SoftFit~L™, the only alternative to Rainin LTS™ LiteTouch™ pipet tips. The SoftFit~L is available with or without the ART® self-sealing barrier and is manufactured in 20ul, 200ul, and 1000ul liquid volumes. SoftFit~L tips from MBP deliver highly accurate samples, seals well on the pipettor, and is easy to seat and eject. Frosted shoulders with the MBP logo make them easily identifiable for use on LTS style pipettors. The affordably priced SoftFit~L is available through your preferred distributor.

SoftFit~L ART and PURE™ tips are pre-sterilized and certified RNase-, DNase-, DNA, and pyrogen free. MBP SoftFit~L non-filtered tips are racked and autoclavable. Contact Molecular BioProducts at (800) 955-2787 or (858) 453-7551 or send e-mail to [info@mbpinc.com](mailto:info@mbpinc.com) to receive a free sample pack of the SoftFit~L.

ART is a registered trademark of MBP and is protected by U.S. Patent Number 5,156,811;
